

# TAX PLANNING TIPS AND CHECKLIST 2022

This checklist has been designed solely to act as an 'aide memoire' on tax areas covered in the accompanying guide. No two taxpayer's circumstances are the same so this checklist is designed to be a starting point.

Use it to help you identify:

- specific areas of interest
- matters on which you would like further information and
- questions for further discussion with us.

Please complete relevant areas of the checklist and do get in touch so we can offer you specific tailored advice. We look forward to hearing from you.
